

Occupational Health and Safety Policy Statement

Ekurhuleni East TVET College (EEC)

Ekurhuleni East, Technical, Vocational, Education and Training College (EEC) as a public institution regulated and established in terms of the Continuing Education and Training (CET) Act 16 of 2006 as amended. EEC commits to in so far as is reasonably practicable; to comply with the Occupational Health and Safety Act 85 of 1993 and its regulations as well as other allied and related legislations, standards and requirements to which the College subscribes.

The College is committed to providing and maintaining, as far as is reasonably practicable a healthy, safe and risk-free working and learning environment and this shall be achieved by:

- Providing adequate resources to fulfill EEC's OHS Management System and policy.
- Implementing, establishing, maintaining and monitoring OHS systems, structures including OHS committees and assign responsibilities through formal legal appointments.
- Building a culture that is centered on maintaining a high-level OHS performance and commitment from the College management team, staff, visitors, contractors and students.
- Providing an environment that is aimed at eliminating illnesses and injuries at work and at any other place that may be impacted by our operations, including members of the public.
- Providing appropriate personal protective equipment/ clothing as considered necessary for the protection of employees and students in the cause of their activities (and ensuring that employees and students make use of such equipment and or clothing as may be required according to their risk exposure).
- Providing and arranging OHS Training and instruction to OHS legal appointments as well as to contractor /service provider employees.
- Implementing methods to monitor contractor/service provider OHS Compliance.
- Conducting regular reviews of OHS performance by the College Management and setting objectives, targets and monitoring them continuously to ensure their achievements.
- Addressing all short-comings in OHS Management System performance identified through monitoring the system on audit basis (internal and external).

EEC relies on its community members to take individual and collective responsibility to prevent accidents, injuries, illnesses and ensure compliance with OHS procedures, standards and work practices.

This OHS policy statement is a key part of EEC OHS Policy and will be reviewed on annual basis or as a need arises to ensure continual improvement of the implementation of the OHS Management System.
